

SFCC Music Student Scholarship Criteria

Statement:

SFCC Music Scholarships are awarded to current or prospective students who demonstrate musical excellence, participation in musical performance or production, and academic achievement.

Qualifications:

1. Be a current or prospective first or second year student at SFCC
2. Be enrolled full time at SFCC and seeking a degree of: Associate of Fine Arts – Music; Associate of Fine Arts - Jazz Studies; Associate in Applied Science (A.A.S.) in Audio Engineering and/or Associate of Arts with a music pre-major.
3. Must maintain an accumulative grade point average of 3.0 each quarter in their academic studies at SFCC.
4. Must successfully meet audition requirements for their primary area of study.

Scholarship Funding:

Scholarships are funded annually and distributed throughout the three quarters of the academic year as long as the student continues to meet all of the qualifications.

Scholarship Specifications:

1. Award amounts and the number of scholarships awarded will depend on available funds.
2. Scholarship recipients may re-apply for awards in subsequent years.

Application Procedures:

ALL candidates who apply must complete an application form available from the SFCC Music Department; please attach your student transcripts and recommendation letter from a qualified music instructor to your completed application form.

1. New music students: perform a live audition or submit a quality digital recording
2. Returning music students: a recommendation made by the students' private instructor(s) based on their winter quarter jury final.
3. Recording Arts students: contact D. McCollim: danny.mccollim@sfcc.spokane.edu for additional requirements.

Audition Requirements:

For ALL music majors:

Contact the area coordinator below specific to your instrument or voice.
