Students who are a part of the CCS International Homestay Program have signed the Homestay Student Application and have agreed to the Student's Rights and Responsibilities. These include the following requirements:

- Respect and follow the guidelines and rules of the Homestay family.
- Pay for any damage the student, or the student's guests, cause to the family home or property.
- Pay all personal bills and obligations.
- Pay the Homestay fee on the 1st of every month.
- Notify the family and the Homestay Office prior to moving out, giving 30-day notice.

The Homestay Office requests that all students place a Security Deposit with their host family, to demonstrate the student's commitment to these guidelines. Students who comply with the program will receive these funds, in full, at the conclusion of the Homestay. Funds may be used by families, with Homestay Office approval, for the following reasons:

- Damage to host home or property
- Unpaid bills or obligations to the host family
- Unpaid monthly fee
- Moving out of Homestay without giving 30-day notice
- Cleaning fees (see Move Out Form for cleaning instructions)

SECURITY DEPOSIT EXPECTATIONS

1. All students are required to give a monetary deposit, in the amount of \$400, at the time of move-in, in order to cover the cost of any unpaid bills or damages done to the property by the student while they are living in the home. This is in addition to the monthly fee that is made the first day the student moves in to Homestay.
2. Students may be held responsible for any damage caused by visitors that they have invited into the home.
3. If damages occur during the time the student is living in the home, the family may receive compensation for those damages out of the \$400 deposit, and then the student must replenish the deposit back to \$400.
4. Students and families must agree on the amount of the repair/replacement for damages, prior to removing funds from the Security Deposit.
5. Families may choose to make repairs immediately or postpone them until after the student moves out.
6. The week the student moves out of the home, the host family and the student are to review and complete the Moving Out Form. Damages to the home, carpet cleaning fees (for staining above normal wear and tear), and funds for cleaning not completed by the student must be discussed and resolved before the student moves out. Full or remaining Security Deposit must be returned to the student on the last day in the home.
7. Receipts for estimates or for repairs must be used to substantiate the funds used from the Security Deposit. The Homestay Office must approve all use of funds and affirmation will be noted by a CCS staff signature on the Security Deposit Form.
8. Disclaimer: Security Deposit is implemented to protect the Homestay families; however, the CCS Homestay Program does not directly handle any of the funds and cannot be held responsible for transactions. The Homestay program can try to facilitate an agreeable amount in the event a host family and student disagree, however, the family and student are ultimately responsible for any decisions and the money transfer involved.
9. Students are expected to leave their rooms and host homes in the same condition as when they moved in, except for normal wear and tear. Upon moving in, students are advised to inspect their bedroom for any existing damages and document those damages with the host family. Photos of prior damages may be taken.

10. Students are encouraged to pack and clean their rooms several days in advance, in order to expedite inspection of the living space by the family and to provide time for finding estimates for damages (if necessary).
11. Damages or unpaid fees in excess of the \$400 Security Deposit will be due before the student moves out of the host home.
12. Students must give notice to the Homestay Office and to their host family 30 days prior to the date they will be moving out. Students must pay for those 30 days, even if they move out early. The Security Deposit will not pay for the final month's fee. The Security Deposit is only used for the monthly fee if a student leaves the home without full 30-day notice and abandons their payment responsibilities.
13. The Homestay Program recommends that students purchase Renter's Insurance to cover their belongings and potential liability claims.
